

LOSS (HAND ON MY HEART)  
AED 5 August 1996

Chorus:  
Oh hand on my heart  
Tearing me apart  
My God I never knew  
Such pain through and through

Sometimes I think I hear  
You calling me so clear  
Look around, look around  
But no one near and oh...

Chorus

I see you in a crowd and then  
Stop and count from one to ten  
But it's only my mind  
Playing tricks again and oh...

Chorus

But that I thought I held at last  
Captured in a photograph  
How could it be that even this  
Would slip from my grasp...

Chorus
