G Am

CHORUS x5

Climate justice now, people gonna rise like water,

G Am

Turn this system 'round, in the voice of my great granddaughter

[then 2 bar instrumental]

Am

G Am

I, guess you've heard of Climate Change, our critical situation

G Am

If, we don't turn this system 'round, we face annihilation

F

G

When farming fails, food runs out. Folk will get, what it's all about

D

F

G

It's up to us to choose our fate, if-we don't act now it'll be too late

CHORUS x2

[then 2 bar instrumental]

Am

G Am

Mass extinction's underway with habitat degradation

G Am

Ecosystems under threat, in every single nation

F

G

If we don't act there'll be no more trees, no more fish swimming in the seas

D

F

G

Climate change and ecocide, it's up to us we must decide

CHORUS x2

[then 2 bar instrumental]

Am

G Am

Rising up to save our lives and future generations

G Am

Rising up against ecocide in each and every nation

F

G

Rising up without blame or shame, for truth, action-and system change

D

F

G

Now's the time to choose our fate, if we don't act now it'll be too late

CHORUS x7
